Module Aims
Benefit from studying and living abroad. Develop intercultural awareness and competence through reflection on your experience. Enhance your personal development allowing you the scope to transfer the skills acquired to both academic work and your future career. Broaden your academic knowledge by studying appropriate modules and embrace different academic approaches. Where appropriate, enhance your language skills and develop strategies for more effective language learning.

Outline Syllabus
There is no defined syllabus. The year abroad is voluntary, and your specific modules of study will be chosen to be relevant to your degree and future career. These will be agreed with the module leader before departure.
